

Dion Johnson, courageous champion for women, is a women's conference speaker internationally sought after for her truth-telling, show stopping talks, presentations and keynote messages. She educates, edifies, and empowers women to birth their untapped potential to make their mark in the global marketplace. Dion is a prolific story-teller, visionary and the passionate pioneer of *Femfluence, The Global Feminine Movement*.

When Dion takes the stage, every talk is electrifying and filled with real stories, anecdotes, and transformational metaphors that inspire women to unleash their *Femfluence*. She wants women to live a thrilling life *and empowers women to conceive more, be more, to influence and impact organizations, communities, and nations through their life's work*. Dion is frequently requested to speak and lead inspirational workshops. Her signature talks include *Courageous Authenticity, Feminine Self Leadership, Midlife Without Masks: The Way to Femfluence and The Midlife Revolution: The Best Life at Midlife*.

Dion's acclaimed accomplishments include being featured in the *British Press, Daily Express, Voice, Sister Talk*, and she is an expert blogger on the prestigious *Huffington Post*. She is an Award Winning Speaker, recent runner up in the *Corporate Challenge of the College of Public Speaking Corporate Challenge* and recently was invited to be a *TEDx Speaker* in 2013. Heard and loved worldwide by many, Dion has been a guest speaker and panelist on numerous international tele-summits. Women love her message that shares valuable insights and success solutions on how midlife women in the workplace can transform their careers and life experiences by releasing their *Femfluence* in to the world.

*National Women Inspiring Women 2013 Mentor of the Year Award Winner* and host of the highly successful 2012 *Fed Up to Freedom Summit* are two of Dion's shining moments. Dion is the author of *Fed Up of Being Fed Up At Work - A Must Have Resource for Professionals That Wake up on Monday Morning Wishing It Was Friday Afternoon* and is currently writing her next book, *Femfluence – The Way to Amazing, Meaningful Work and Life After 40* to be published in 2014.

As head lady in charge, Dion is the visionary leader of *Femfluence – The Global Feminine Movement* designed to empower women to take their position alongside men to transform nations by birthing their unique creative, innovative solutions for the planet. Dion wants women to retire empty having made their mark in the world they were born to make by fully utilizing their unique gifts and talents to create work that positively impacts them personally and the world powerfully.

Dion's 20 years of experience as a Midwife, Performance and Executive Coach and Master Practitioner of Neuro Linguistic Practitioner (NLP) positions her powerfully as a skilful, well-seasoned educator and supporter of women experiencing work and life transition and transformation. She understands women, and the process of conception, pregnancy and birthing; a powerful metaphor Dion uses in her work with midlife women to help them conceive a new and exciting mission and birth their unique solution in the marketplace.

Born with a facial disfigurement and once having low self-esteem, Dion knows firsthand what it feels like to hide her true self. Since unleashing the courage to take off her own mask, Dion is passionate about helping other women *FACE IT, come out of hiding to authentically show up in the world and fully step into their feminine power*. Dion Johnson is a big dreamer and mission-driven maven who aspires to transform the experience and quality of life for midlife women in the global marketplace by inspiring and supporting 5 million *Femfluence* women by 2020.

Dion loves the bible and biblical principles underpin her worldview, way in the world and serve as the back drop of all of her motivational messages. She is a prophetic, committed teacher of biblical principles who educates in a way that everyone regardless of their spiritual background or faith can understand and apply to their daily life. Global champion for women, midlife revolution leader, trailblazer, and woman of faith, Dion Johnson is relentless in inspiring and empowering women to get up from behind the desk, take off the masks, birth their dreams and use their *Femfluence* to make their mark in the world and live a thrilling life.
